Qur'an 8:12-14 Your Lord revealed to the Angels: "I am with you: give the believers firmness; I shall put fear into the hearts of the disbelievers - **strike above their necks and strike all their fingers**."

That is because they opposed God and His Messenger, and if anyone **opposes God and his Messenger,** God punishes them severely - "**That is what you get! Taste That**!" - and the torment of the Fire awaits the disbelievers.

We are all the victims of the hidden powers. This includes most Muslims, immigrants and mixed race families, the vast majority of whom are simply victims of circumstance. **Peace requires understanding and mutual respect. Know When To Fight...

From Chapter Three Strategic Offensive...

"There are five essentials for victory:
Know when to fight and when not to fight;
Understand how to deploy large and small numbers;
Have officers and men who share a single will;
Be ready for the unexpected;
Have a capable general, unhampered by his sovereign.
These five point the way to victory.

Hence the saying.

*'**Know the enemy, know yourself and victory***
is never in doubt, not in a hundred battles.
He who knows self but not the enemy will
suffer one defeat for every victory.
He who knows neither self
***nor the enemy will fail in every battle**.'"*

Translation by John Minford

1: Radicalisation
& The Pro Islam Faction

Qur'an Translation by M.A.S Abdel Haleem

Qur'an 4:76 "The believers fight for God's cause, while those who reject faith fight for an unjust cause. Fight the allies of Satan: Satan's strategies are truly weak."

Qur'an 2:6-7 "As for those who disbelieve, it makes no difference whether you warn them or not: they will not believe. God has sealed their hearts and their ears, and their eyes are covered. They will have great torment."

Why is this happening again?
Why does this strategy even exist?

Qur'an 86:13-16 "This is a truly decisive statement, it is not something to be taken lightly. They plot and scheme, but so do I: Prophet, let the disbelievers be, let them be for a while."

Qur'an 2:218 "But those who have believed, migrated and striven for God's cause, it is they who can look forward to God's mercy..."

Qur'an 9:20 "Those who believe, who migrated and strove hard in God's way with their possessions and persons, are in God's eyes much higher in rank; it is they who will triumph;"

Qur'an 13:41-42 "Do they not see how We come to their land and shrink it's borders? God decides - no one can reverse His decision - and He is swift in reckoning. Those before them also schemed, but the overall scheme belongs to God: He knows what each soul does. In the end, the disbelievers will find out who will have the excellent home."

Qur'an 47:18-19 "What are the disbelievers waiting for, other than the Hour which will come upon them unawares? Its signs are already here, but once the Hour has actually arrived, what use will it be to take heed?"

Qur'an 9:14 "Fight them: God will punish them at your hands, He will disgrace them, he will help you conquer them, He will heal the believers feelings."

Qur'an 6:25 "Among them are some who [appear to] listen to you, but we have placed covers over their hearts - so they do not understand the Qur'an - and deafness in their ears. Even if they saw every sign they would not believe in them. So, when they come to you, they argue with you: the disbelievers say, 'These are nothing but ancient fables.'"

Qur'an 43:79-80 "Have the disbelievers thought up some Scheme? We too have been scheming. Do they think We cannot hear their secret talk and their private counsel? Yes we can: Our messengers are at their sides, recording eveything."

And if the Situation is Reversed

Qur'an 2:191 "Kill them wherever you encounter them, and drive them out from where they drove you out, for persecution is more serious than killing."

Everything Has A Place & A Reason...

From the introduction: "The Qur'an is the word of God, **revealed to the Prophet Muhammad via the archangel Gabriel**."

God is NOT incarnated...

Qur'an 112:1-3 Say, 'He is God the One, God the eternal. **He begot no one nor was He begotten.**'

Appeal To Men's Base Instincts

Sunan Ibn Majah 4337 "It was narrated from Abu Umamah that the Messenger of Allah (ﷺ) said: “There is no one whom Allah will admit to Paradise but Allah will marry him to seventy-two wives, two from houris and seventy from his inheritance from the people of Hell, all of whom will have desirable front passages and he will have a male member that never becomes flaccid.’”

Qur'an 70:29-30 “who guard their chastity from all but their spouses or slave-girls – they are not to blame.”

Setting An Example

Sahih al-Bukhari 5134 "That the Prophet (ﷺ) married her when she was six years old and he consummated his marriage when she was nine years old. Hisham said: I have been informed that `Aisha remained with the Prophet (ﷺ) for nine years (i.e. till his death)."

Sahih Muslim 6985 "Abu Huraira reported Allah's Messenger as saying: The last hour would not come unless the Muslims will fight against the Jews and the Muslims would kill them until the Jews would hide themselves behind a stone or a tree and a stone or a tree would say: Muslim, or the servant of Allah, there is a Jew behind me; come and kill him; but the tree Gharqad would not say, for it is the tree of the Jews."

"The Who of "They Plot and Scheme..."

2: Antisemitism

"The Most Ancient Hatred..."

American Jewish Committee

"Antisemitism is the most ancient hatred, rooted in Christian religious teachings that go back millennia. Over that time antisemitism has morphed into variants that are both blatant and insidious, but equally harmful to Jews. The shape-shifting nature of antisemitism is part of what sets it apart. Antisemitism is also different from other forms of racism, which often vilify victims as inferior."

"Antisemites often position themselves as truth-tellers"

Anti-Defamation League

"The myth of excessive Jewish power also relies on historical claims of Jews controlling global affairs. Jews are cast as manipulative and conniving schemers who work in the shadows to advance an evil agenda. Antisemites often position themselves as truth-tellers, whose mission it is to unmask a supposed insidious Jewish plot to take over the world."

American Jewish Committee

"In addition to emphasizing how unworthy, unclean, and greedy Jews can be, antisemitism emphasizes that Jews see themselves as superior and deny opportunities to others. It accomplishes this with conspiracy theories about Jews controlling the media, banks, and government, as well as with derogatory stereotypes such as myths about "Jewish power" or the "Jewish lobby." This type of antisemitism, assailing Jews for their perceived power,

especially resonates in today's context of anti-racism, which aims to disrupt traditional power structures."

IHRA definition of antisemitism

"Making mendacious, dehumanising, demonising, or stereotypical allegations about Jews as such or the power of Jews as a collective - such as, especially but not exclusively, the myth about a world Jewish conspiracy or of Jews controlling the media, economy, government or other societal institutions."

Evil Gets Its Power By Pretending To Be Good

The Conspiracy...

4: Communist Strategy & Subversion

The Propaganda of Atheism & More...

Communists are the useful idiots and cannon fodder of a societal collapse. Early adopters work subversively to help undermine society while the masses think they are fighting and dying for a workers paradise, rather than their own enslavement. Some see it as nothing more than a means to total power and world domination.

"Education is a weapon whose effect depends on who holds it in his hands and at whom it is aimed." **Stalin**

"Give me four years to teach the children and the seed I have sown will never be uprooted." **Lenin**

"A lie told often enough will become the truth." **Lenin**

"The first requisite for the happiness of the people is the abolition of religion." **Karl Marx**

"The Propaganda of Atheism"

"Atheism is a natural and inseparable part of Marxism, of the theory and practice of scientific socialism. Our program necessarily includes the **PROPAGANDA OF ATHEISM**." **Lenin**

"Religion is the opium of the people: this saying of Marx is the cornerstone of the entire ideology of Marxism about religion. All modern religions and churches, all and of every kind of religious organizations are always considered by Marxism as the organs of bourgeois reaction, used for the protection of the exploitation and the stupefaction of the working class." **Lenin**

"The way to crush the bourgeoisie is to grind them between the millstones of taxation and inflation." **Lenin**

"The best way to destroy the capitalist system is to debauch the currency." **Lenin**

"The state is an instrument for coercion. We want to organize violence in the name of the interests of the workers." **Lenin**

Hell Broth & Brutalisation...

The ABC of Communism

The 1922 English translation

The Communist Explanation...

Section 32 "A Decisive victory over the enemy and the realization of the dictatorship of the proletariat - Such will be the inevitable outcome of the world wide civil war."

Section 33 "Manifestly it is essential that Humanity shall make an end of capitalism once and for all. With this goal in view, we can endure the period of civil wars, and can pave the way for Communism, which will heal all wounds."

Section 34 "We are thus confronted by two alternatives, and only two. There must either be complete disintegration, hell broth, further brutalisation and disorder, absolute chaos, or else communism."

Section 56 "It is essential that the working class should overcome all national prejudices and national enmities. This is a requisite, not only for the world-wide attack upon capital and for the complete overthrow of the capitalist system, but also for the organization of a single world-wide economic system."

"Down With The Jews"

Section 57 "The bourgeoisies of all countries, especially of late, join the cry, 'down with the Jews!' The aim of this is to switch off the class struggle of the workers against their capitalist oppressors, into a struggle between nationalities."

Section 60 "Today, even British ministers of state sometimes deliver antisemitic orations. This is an infallible sign that the bourgeois system in the West is in the eve of a collapse, and that the bourgeoisie is endeavouring to ward off the workers' revolution by throwing Rothchilds and Mendelssohns to the workers as sops."

Section 77 "In the matter of education, as in all other matters, the Communist Party is not merely faced by constructive tasks, for in the opening phases of it's activity it is likewise faced by destructive tasks. In the education system bequeathed to it by capitalist society, it must hasten to destroy everything which has made of the school an instrument of the capitalist class rule."

Section 92 "The transition From socialism to Communism, the transition from the society which makes an end of capitalism to the society which is completely freed from all traces of class division and class struggle, will bring about the natural death of all religion and all superstition."

Section 92 "If the church were to be persecuted it would win sympathy among the masses, for persecution would remind them of the almost forgotten days when there was an association between religion and the defence of national freedom; It would strengthen the antisemitic movement; and in general it would mobalize all the vestiges of an ideology which is already beginning to die out."

A State of Deception...

5: Communism, Liberalism & Capitalism!

Government is Not Simply Incompetent!

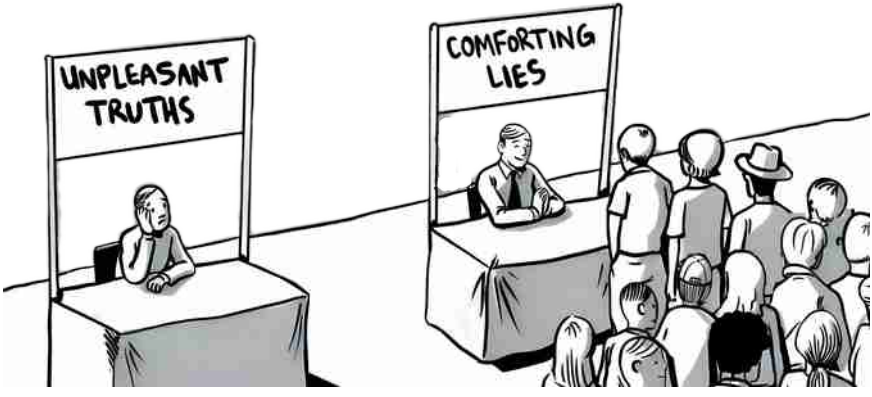

Don't be deceived, Communism, Liberalism and Capitalism are being used by **SATANISTS** to bring the same revolutionary strategy to fruition. Creating all the poverty, misunderstanding and hatred needed to feed the beast of world Communism.

Infiltration & Subversion —

As EASY As In The Image Below...

The Bhagavad Gita 9:11

"The foolish disregard Me, when clad in **HUMAN SEMBLANCE**"

"It doesn't matter who they vote for, **THEY ALWAYS VOTE FOR US.**" **Stalin**

"Democracy is **INDISPENSABLE** to socialism." **Lenin**

World Communism is their goal. Obviously most Communists don't realise they are being deceived into assisting the Synagogue of Satan take over the world.

Liberalism is used to break down traditional values and morals while using political correctness to silence any opposition.

The Deliberate Stimulation of Class Hatred

Capitalism is used to justify mass immigration on globalist economic grounds. Much of what passes for capitalism is really just subversion and the deliberate stimulation of class hatred!

The Pieces Keep Falling Into Place...

6: The Answer to Communism

Satanic & Communist Infiltration...

Quotations from The Answer to Communism by Douglas Hyde.

"The theoreticians have written plenty about the revolution and how it is to be fought and won, and about the dictatorship of the proletariat and the forms it should take. But about Communism itself they have been rather more reticent. Thus, for example, William Gallacher M.P. in his "Penguin" book, "The case for Communism" devotes just two and a quarter pages to "Communist Society," out of a total of over 200 pages - and this despite the title of the book! This creates problems when the new member innocently asks the local leaders to recommend a book which will outline Communist aims in a simple and handy form. But it is no accident that no such work exists. Because the long-term Communist aim has been left vague, each member makes the word "Communism" a mould into which he pours his own content, making it his ideal. And so it can claim the whole of his idealism and, not unnaturally, exactly represents his ideal!"

"But if the Marxists have been vague about their Communist goal they have never hesitated to outline in detail the form which the dictatorship of the proletariat is to take and insist that the dictatorship is a necessary and inevitable step which must follow the revolution and precede the Communist society."

"The weapon for achieving this is the Dictatorship of the Proletariat. And the methods used are those normal to any other dictatorship. Restriction of liberty; suppression of all opposition;

the one-party system; conscious limitation of the freedom of speech and freedom of the press. The whole machinery of State, which Lenin called the weapon of persuasion and coercion -- the Press, the platform, the radio, the schools, for persuasion; the police, the courts, the jails and the armed forces for coercion -- is used to this end."

"The "bourgeoisie" may, and almost certainly will, retaliate and the answer to that must be the Red Terror, for which party members must prepare their minds. And the Secret Police is seen in advance as a necessary institution without which the Dictatorship of the Proletariat can never become a reality."

"And when you have a small group of men heading a tightly exclusive organisation in possession of power for so long they must almost inevitably either become corrupted by absolute power or reach a stage where they are unwilling to relinquish it. Thus, where Communism has seized power there is a strong probability that the Dictatorship of the Proletariat will be found in time not to be "transitional" at all but a permanency. And the rather hollow pretence that it is dictatorship by a class is in time likely to give way to the open and naked dictatorship of the leaders of the party."

"The Marxist declares that this is a material world. He denies utterly and completely, the existence of God and the soul. The spiritual -- which to him is really no more than the "cultural" -- proceeds only from the material mind of man and is, therefore, secondary to matter. In this, of course, he does not differ very much from many other materialists who have gone before him. But, he claims, the "bourgeois" materialism of the past has been a negative thing. Dialectical materialism he says, is something

more positive. And that is where the dialectic comes in, making his materialism the most militant, aggressive atheism of all time. Marxism claims to have discovered certain laws and processes of nature which run throughout the entire physical universe and to which all matter, including man, is subject. Most significant of these laws is the conflict of opposites. All progress, all development, has come from this conflict. Out of the clash between opposing forces comes something new which is neither one nor the other -- the thesis, antithesis and synthesis."

"Then, at the appropriate moment, comes the transition of quantitative into qualitative change, the revolutionary leap. The old system collapses or is made to collapse when the rulers are no longer able to govern. And those same conditions make it possible to unite the ruled, who take over by force, establishing a new system of society in which they become rulers. Thus the dialectic gives the Communist certainty and confidence in the final victory of his cause. The very laws that govern the universe are on his side. He alone understands them and uses them for his own purpose. He is the conscious and willing instrument of the historical process. The revolution for which he works must come, it is inevitable. He will accelerate its coming and lead it at the moment of opportunity. The victory of his cause is assured."

"In other words, the Communist will see the revolution for which he sacrifices his time and effort, for which he lives, in his lifetime, if he understands the processes of history, speeds up the class war by stimulating class-hatred, and skilfully leads the masses at the right moment."

"The dynamic effect of dialectical materialism upon the individual who accepts it is incalculable. Its effect upon morale is

terrific. In its consequences it is as though Christians knew for a certainty that if they worked hard enough they would see the coming of the Kingdom of Heaven upon earth within their lifetime."

"To the trained Marxist social injustice is something to exploit. He does not campaign against it in order to improve bad social conditions, for Communism feeds on such conditions. The Marxist maintains that things must steadily worsen in any case and that it is precisely the worsening of those conditions which gives him his opportunity.

He uses social injustice in order to establish Communism, and to the seasoned Marxist that is the beginning and the end of his interest in social justice."

"The class-war provides him, too, with his only test of right and wrong. Does it serve the class-war or does it not? That is the question. If it serves the cause of the revolution it is right, if it harms it it is wrong. Upon the basis of this simple test, the Marxist man finds that anything is permissible, no matter how cruel, how immoral -- provided only that it is good for the cause."

"In the class-war any sort of subterfuge is permissible, the Communist says. You may deceive the enemy, pretending to be a friend, penetrating or infiltrating his ranks and then revealing yourself as his foe and, if need be, stabbing him in the back. In the conduct of the class-war, too, you look for allies, use them for just as long as it suits your purpose to do so, and then, if the cause is served thereby, either drop them or round on them as the case may be."

"We sought to create or awaken class bitterness, out of which came class hatred and from which we could make and win a civil war. We put our trust in hate."

"And when thousands of people holding such views and behaving in such a manner, are organised into national parties, linked in a world wide battlefront, they become something formidable indeed."

"No matter what organisation you join you must give the appearance of being the best possible member. And this is precisely what the Communists have done."

"But the Communist does not sit back. When everyone else is doing so he comes forward and takes the job. He sets about doing it well and for this reason goes from one position in his organisation to another until, in some cases, he ends up at the top."

"His purpose is to "capture" the organisation and convert it into a weapon of the class war."

"When the Communists wish to destroy an organisation this is how they proceed: First, they attempt to win the support of some, at least, of the rank and file. By carefully chosen campaigns and ingenious propaganda they seek to make it appear they and their future victims have really a good deal in common and that, therefore, it is only common sense to achieve some measure of co-operation."

"Secondly, they seek to "isolate" the leaders from the rank and file in order to render the former defenceless and the latter leaderless. This may be done by means of spreading personal calumnies against individuals, by creating doubt as to their suitability as leaders or as to their personal integrity."

"Normally such a process takes time and several lines will be pursued simultaneously; the wooing of the rank and file; the isolating, discrediting and ultimate destruction of the leadership; the driving of wedges between the leaders to facilitate the process. At the right moment, when the process has gone sufficiently far, the job of developing new leaders, creatures of the party, within the rank and file or among the existing lesser leaders is started."

"At the right moment, when the old leaders have been removed or driven out, the "stooge leaders" will be presented to the populace as the ones who have all along represented the best traditions, interests and wishes of the people."

"That is the Communist technique; skilfully to conduct campaigns allegedly for a set of demands which appear reasonable and concerned only with the worker's bread and butter or the intellectual's peace of mind but which are in reality intended to achieve entirely different ends which serve only the cause of Communism. If on the basis of past experience, people can be made to understand these things the Communist propaganda will fail. It is on ignorance of their methods and intentions that it thrives."

"The Communists are often described as masters of the technique of organisation. They have created or moulded to their desire, organisations for everyone and everything and all are used for one purpose - the furthering of the cause of Communism, regardless of what may be the declared aim and purpose."

"In Czechoslovakia by the time of the February putsch the vast majority of organisations had been either rendered leaderless, provided with fake leaders or were riddled through and through with quislings."

"Communism today gives men a sense of direction, a purpose in life, a cause to fight for, an ideal to sacrifice for and if needs be, die for. It claims their zeal, their devotion, their loyalty. These are things which belong to religion."

"There is a tremendous need for well instructed Christians, men and women who understand their Faith as the Communists understand theirs. It is not sufficient simply to be in possession of faith today. It is necessary also to understand it - as every Christian who starts speaking out in the workshop or marketplace for the things in which he believes quickly discovers."

"The Communist spends hours, after giving to his cause what would be the whole of anyone else's spare time, to the study of Marxism theories and policies. The result is that he always has "all the answers". We live in serious, critical times when the faith is challenged at every turn. To know and understand it is to realise that we have the answer to that challenge. To fail to know

it is to be in danger of letting it down and even playing into the hands of its enemies, as ill-instructed Christians who have been taken in by the Communists' guile have done before."

"Christendom is assailed and must be defended. These are dangerous days and they demand sacrifices of those who see the danger. But they are days of colossal opportunities too. For in our lifetime are being tried, tested and found wanting, in the form of Communism and modern paganism, all those wrong ideas which have increasingly befogged the mind of man and bedevilled the world for generations."

"To those who have faith falls the job of showing a disillusioned generation the answer, by understanding the social needs of our day and meeting them for love of our fellow men and the love of God; by accepting the responsibilities which fall to men who live in the workday world and must meet and defeat evil wherever it is to be found, and by striving after a personal sanctity which will destroy at the roots a creed which has grown out of a faithless age. In defeating Communism by such means we shall do much more. We shall bring nearer the day when the reconversion of England to Christianity is a reality and not something of which we wistfully write and dream but never achieve."

The lies won't always hide the truth.....

Joseph Goebbels

"There will come a day, when all the lies will collapse under their own weight, and truth will again triumph."

6: Learning From The Past

History is being hidden and repeated.....

Mein Kampf (My Struggle) James Murphy Translation

Volume 1 Chapter 4

"Nobody can doubt that this world will one day be the scene of dreadful struggles for existence on the part of mankind. In the end the instinct of self-preservation alone will triumph."

"Once we know what the consequences of this 'internal colonization' theory would be we can no longer consider as a mere accident the fact that among those who inculcate this quite pernicious mentality among our people the Jew is always in the first line."

"It is specially difficult to understand how the belief that the State is brought into being and preserved by economic forces could gain currency in a country which has given proof of the opposite in every phase of its history. The history of Prussia shows, in a manner particularly clear and distinct, that it is out of the moral virtues of the people and not from their economic circumstances that a State is formed."

"But as soon as economic interests begin to predominate over the racial and cultural instincts in a people or a State, these economic interests unloose the causes that lead to the subjugation and oppression."

"How then did it happen that the political instincts of this very same German people became so degenerate? For it was not merely one isolated phenomenon which pointed to this decadence, but morbid symptoms which appeared in alarming numbers, now all over the body politic, or eating into the body of the nation, like a gangrenous ulcer. It seemed as if some all-pervading poisonous fluid had been injected by some mysterious hand into the bloodstream of this once heroic body, bringing about a creeping paralysis that affected the reason and the elementary instinct of self-preservation."

"Even as early as that time I warned people around me, just as I am warning a wider audience now, against that soothing slogan of all indolent and feckless nature: Nothing can happen to us."

"Long before then the spiritual and moral decline of the German people had set in, though those who were affected by the morbid decadence were frequently unaware - as so often happens - of the forces which were breaking up their very existence."

Volume 1 Chapter 10

"The broad masses of the people see little of the cultural, political, and moral background of this collapse. Many of them completely lack both the necessary feeling and powers of understanding for it."

"If we study the course of our cultural life during the last twenty-five years we shall be astonished to note how far we have already gone in this process of retrogression."

“Everywhere we find the presence of those germs which give rise to protuberant growths that must sooner or later - bring about the ruin of our culture."

"Only those who have nothing of value to give to the world will oppose everything that already exists and would have it destroyed at all costs."

"The efforts made to conceal the past from the eyes of the present afforded clear evidence of the fact that these apostles of the future acted from an evil intent. These symptoms should have made it clear to all that it was not a question of new, though wrong, cultural ideas but of a process which was undermining the very foundations of civilisation. It threw the artistic feeling which had hitherto been quite sane into utter confusion, thus spiritually preparing the way for political Bolshevism."

"The ultimate and most profound reason of the German downfall is to be found in the fact that the racial problem was ignored and that its importance in the historical development of nations was not grasped."

Volume 2 Chapter 1

"Once we understand the impenetrable stupidity of our public, we cannot be surprised that such tactics turn out successful. Led by the press and blinded once again by the alluring appearance of the new program, the bourgeois as well as the proletarian herds of voters faithfully return to the common stall and re-elect their old deceivers.”

“Organised Might of Marxism”

“Scarcely anything else can be so depressing as to watch this process in sober reality and to be the eyewitness of this repeatedly recurring fraud. On a spiritual training ground of that kind it is not possible for the bourgeois forces to develop the strength which is necessary to carry on the fight against the organized might of Marxism."

“Marxism Strives To Exterminate”

"Marxism will march shoulder to shoulder with democracy until it succeeds indirectly in securing for its own criminal purposes even the support of those whose minds are nationally oriented and whom Marxism strives to exterminate."

"As I have said, only a very credulous soul could think of binding himself to observe the rules of the game when he has to face a player for whom those rules are nothing but a mere bluff or a means of serving his own interests, which means he will discard them when they prove no longer useful for his purpose."

"On this planet of ours human culture and civilization are indissolubly bound up with the presence of the Aryan. If he should be exterminated or subjugated, then the dark shroud of a new barbarian era would enfold the earth. To undermine the existence of human culture by exterminating its founders and custodians would be an execrable crime in the eyes of those who believe that the folk-idea lies at the basis of human existence."

"Only when the international idea, politically organized by Marxism, is confronted by the folk idea, equally well organised in a systematic way and equally well led - only then will the fighting energy in the one camp be able to meet that of the other on an equal footing: and victory will be found on the side of eternal truth."

Volume 1 Chapter 3

"For the first time nationalists and patriots were transformed into rebels. Not rebels against the nation or the state as such but rebels against a form of government which, they were convinced, would inevitably bring about the ruin of their own people."

"If a Government uses the instruments of power in its hands for the purpose of leading a people to ruin, then rebellion is not only the right but also the duty of every individual citizen."

"The doom of a nation can be averted only by a storm of glowing passion: but those who are passionate themselves can arouse passion in others. It is only through the capacity for passionate feeling that chosen leaders can wield the power of the world which like hammer blows, will open the door to the hearts of the people."

From the May 1932 Emergency Economic Program of the NSDAP

"The Marxist objection that one must proletarianize the independent middle class in the interests of hurrying the arrival of the future Marxist state contradicts the interests of the German worker. The goal for the German worker must not be the proletarianizing of the middle class, but rather the deproletarianizing of the German worker, and providing him with property."

From Hitler's Last Political Testament signed on 29 April 1945 as the Russians closed in on Berlin.

"I never desired that after the first terrible World War a second war should arise against England or even against America. Centuries may pass, but out of the ruins of our cities and cultural monuments there will arise anew the hatred for the people who alone are ultimately responsible: International Jewry and its helpers."

The Lightning and the Sun by Savitri Devi

Part Five Kalki the Avenger.

"That last great Individual - an absolutely harmonious blending of the sharpest of all opposites; equally "Sun" and "Lightning" is the one Whom the faithful of all religions and the bearers of practically all cultures await; the one of Whom Adolf Hitler (knowingly or unknowingly) said, in 1928: "I am not he; but while nobody comes forward to prepare the way for him, I do so"; the One Whom I have called by His Hindu name, Kalki, on account of the cosmic truth that this name evokes.

The world has been waiting for Him for hundreds of thousands of years. Every Man "against time" has, knowingly or unknowingly, foreshadowed Him, and paved the way for His coming."

8: Making The Blind See

John 15:13-15 (NIV)

13 "Greater love has no one than this: to lay down one's life for one's friends. 14 You are my friends if you do what I command. 15 I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you."

Matthew 7:15-29 (NIV)

15 "Watch out for false prophets. They come to you in sheep's clothing, but inwardly they are ferocious wolves. 16 By their fruit you will recognize them. Do people pick grapes from thorn bushes, or figs from thistles? 17 Likewise, every good tree bears good fruit, but a bad tree bears bad fruit. 18 A good tree cannot bear bad fruit, and a bad tree cannot bear good fruit. 19 Every tree that does not bear good fruit is cut down and thrown into the fire. 20 Thus, by their fruit you will recognize them."

21 "Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but only the one who does the will of my Father who is in heaven. 22 Many will say to me on that day, 'Lord, Lord, did we not prophesy in your name and in your name drive out demons and in your name perform many miracles?' 23 Then I will tell them plainly, 'I never knew you. Away from me, you evildoers!'

24 "Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. 25 The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall,

because it had its foundation on the rock. 26 But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. 27 The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash." 28 When Jesus had finished saying these things, the crowds were amazed at his teaching, 29 because he taught as one who had authority, and not as their teachers of the law.

John 7:1-13 (NIV)

1 After this, Jesus went around in Galilee. He did not want to go about in Judea because the Jewish leaders there were looking for a way to kill him. 2 But when the Jewish Festival of Tabernacles was near, 3 Jesus' brothers said to him, "Leave Galilee and go to Judea, so that your disciples there may see the works you do. 4 No one who wants to become a public figure acts in secret. Since you are doing these things, show yourself to the world." 5 For even his own brothers did not believe in him.

6 Therefore Jesus told them, "My time is not yet here; for you any time will do. 7 The world cannot hate you, but it hates me because I testify that its works are evil. 8 You go to the festival. I am not going up to this festival, because my time has not yet fully come." 9 After he had said this, he stayed in Galilee.

10 However, after his brothers had left for the festival, he went also, not publicly, but in secret. 11 Now at the festival the Jewish leaders were watching for Jesus and asking, "Where is he?" 12 Among the crowds there was widespread whispering about him. Some said, "He is a good man." Others replied, "No, he deceives the people." 13 But no one would say anything publicly about him for fear of the leaders.

John 8:31-47 (NIV)

31 To the Jews who had believed him, Jesus said, "If you hold to
my teaching, you are really my disciples. 32 Then you will know
the truth, and the truth will set you free." 33 They answered him,
"We are Abraham's descendants and have never been slaves of
anyone. How can you say that we shall be set free?"

34 Jesus replied, "Very truly I tell you, everyone who sins is a slave
to sin. 35 Now a slave has no permanent place in the family, but a
son belongs to it forever. 36 So if the Son sets you free, you will be
free indeed.

37 I know that you are Abraham's descendants. Yet you are
looking for a way to kill me, because you have no room for my
word. 38 I am telling you what I have seen in the Father's
presence, and you are doing what you have heard from your
father."

39 "Abraham is our father," they answered. "If you were Abraham's
children," said Jesus, "then you would do what Abraham did. 40
As it is, you are looking for a way to kill me, a man who has told
you the truth that I heard from God. Abraham did not do such
things. 41 You are doing the works of your own father." "We are
not illegitimate children," they protested. "The only Father we
have is God himself."

42 Jesus said to them, "If God were your Father, you would love
me, for I have come here from God. I have not come on my own;
God sent me. 43 Why is my language not clear to you? Because
you are unable to hear what I say.

44 You belong to your father, the devil, and you want to carry out
your father's desires. He was a murderer from the beginning, not

holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies.

45 Yet because I tell the truth, you do not believe me! 46 Can any of you prove me guilty of sin? If I am telling the truth, why don't you believe me?

47 Whoever belongs to God hears what God says. The reason you do not hear is that you do not belong to God."

John 10:11-16 (NIV)

11 "I am the good shepherd. The good shepherd lays down his life for the sheep. 12 The hired hand is not the shepherd and does not own the sheep. So when he sees the wolf coming, he abandons the sheep and runs away. Then the wolf attacks the flock and scatters it. 13 The man runs away because he is a hired hand and cares nothing for the sheep.

14 I am the good shepherd; I know my sheep and my sheep know me 15 just as the Father knows me and I know the Father and I lay down my life for the sheep.

16 I have other sheep that are not of this sheep pen. I must bring them also. They too will listen to my voice, and there shall be one flock and one shepherd."

Revelation 3:9 (NIV)

9 "I will make those who are of the synagogue of Satan, who claim to be Jews though they are not, but are liars. I will make them come and fall down at your feet and acknowledge that I have loved you."

Matthew 13:36-43 (NIV)

36 Then he left the crowd and went into the house. His disciples came to him and said, "Explain to us the parable of the weeds in the field."

37 He answered, "The one who sowed the good seed is the Son of Man. 38 The field is the world, and the good seed stands for the people of the kingdom.

The weeds are the people of the evil one, 39 and the enemy who sows them is the devil. The harvest is the end of the age, and the harvesters are angels.

40 As the weeds are pulled up and burned in the fire, so it will be at the end of the age. 41 The Son of Man will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil. 42 They will throw them into the blazing furnace, where there will be weeping and gnashing of teeth.

43 Then the righteous will shine like the sun in the kingdom of their Father. Whoever has ears, let them hear."

Matthew 13:3-23 (NIV)

3 Then he told them many things in parables, saying: "A farmer went out to sow his seed. 4 As he was scattering the seed, some fell along the path, and the birds came and ate it up.

5 Some fell on rocky places, where it did not have much soil. It sprang up quickly, because the soil was shallow. 6 But when the sun came up, the plants were scorched, and they withered because they had no root.

7 Other seed fell among thorns, which grew up and choked the

plants. 8 Still other seed fell on good soil, where it produced a crop, a hundred, sixty or thirty times what was sown. 9 Whoever has ears, let them hear."

10 The disciples came to him and asked, "Why do you speak to the people in parables?"

11 He replied, "Because the knowledge of the secrets of the kingdom of heaven has been given to you, but not to them.

12 Whoever has will be given more, and they will have an abundance. Whoever does not have, even what they have will be taken from them.

13 This is why I speak to them in parables: "Though seeing, they do not see; though hearing, they do not hear or understand.

14 In them is fulfilled the prophecy of Isaiah: "You will be ever hearing but never understanding; you will be ever seeing but never perceiving.“

15 For this people's heart has become calloused; they hardly hear with their ears, and they have closed their eyes. Otherwise they might see with their eyes, hear with their ears, understand with their hearts and turn, and I would heal them."

16 "But blessed are your eyes because they see, and your ears because they hear. 17 For truly I tell you, many prophets and righteous people longed to see what you see but did not see it, and to hear what you hear but did not hear it."

18 "Listen then to what the parable of the sower means: 19 When anyone hears the message about the kingdom and does not

understand it, the evil one comes and snatches away what was sown in their heart. This is the seed sown along the path.

20 The seed falling on rocky ground refers to someone who hears the word and at once receives it with joy. 21 But since they have no root, they last only a short time. When trouble or persecution comes because of the word, they quickly fall away.

22 The seed falling among the thorns refers to someone who hears the word, but the worries of this life and the deceitfulness of wealth choke the word, making it unfruitful. 23 But the seed falling on good soil refers to someone who hears the word and understands it. This is the one who produces a crop, yielding a hundred, sixty or thirty times what was sown."

1 Thessalonians 2:14-16 (NIV)

14 For you, brothers and sisters, became imitators of God's churches in Judea, which are in Christ Jesus: You suffered from your own people the same things those churches suffered from the Jews 15 who killed the Lord Jesus and the prophets and also drove us out.

They displease God and are hostile to everyone 16 in their effort to keep us from speaking to the Gentiles so that they may be saved. In this way they always heap up their sins to the limit. The wrath of God has come upon them at last.

Matthew 23:15 (NIV)

15 "Woe to you, teachers of the law and Pharisees, you hypocrites! You travel over land and sea to win a single convert, and when you have succeeded, you make them twice as much a child of hell as you are."

Matthew 23:31-33 (NIV)

31 "So you testify against yourselves that you are the descendants of those who murdered the prophets. 32 Go ahead, then, and complete what your ancestors started! 33 "You snakes! You brood of vipers! How will you escape being condemned to hell?"

Ephesians 6:10-17 (NIV)

10 Finally, be strong in the Lord and in his mighty power. 11 Put on the full armour of God, so that you can take your stand against the devil's schemes.

12 For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.

13 Therefore put on the full armour of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand.

14 Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, 15 and with your feet fitted withthe readiness that comes from the gospel of peace.

16 In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. 17 Take the helmet of salvation and the sword of the Spirit, which is the word of God.

Revelation 2:9 (NIV)

9 "I know your afflictions and your poverty, yet you are rich (in knowledge)! I know about the slander of those who say they are Jews and are not, but are a **SYNAGOGUE of SATAN**"

Titus 1:13-16 (NIV)

13 This saying is true. Therefore rebuke them sharply, so that they will be sound in the faith

14 and will pay no attention to Jewish myths or to the merely human commands of those who reject the truth.

15 To the pure, all things are pure, but to those who are corrupted and do not believe, nothing is pure. In fact, both their minds and consciences are corrupted.

16 They claim to know God, but by their actions they deny him. They are detestable, disobedient and unfit for doing anything good.

Acts 17:29-31 (NIV)

29 "Therefore since we are God's offspring, we should not think that the divine being is like gold or silver or stone—an image made by human design and skill.

30 In the past God overlooked such ignorance, but now he commands all people everywhere to repent.

31 For he has set a day when he will judge the world with justice by the man he has appointed. He has given proof of this to everyone by raising him from the dead."

John 5:24 (NIV)

"Following Purification, Apollo Crowns Himself"

The Name of Apollon by Lykeia

"The Pythian Games that were held in close relation to the springtime festival of Stepteria, were part of the mytho-cultic worship of Apollon, as victorious over the serpent and in which following purification, Apollon crowns himself with the holy laurel."

"Through the mechanism of music Apollon promotes continual concord and likewise permanently binds together the separated multitude into a whole."

"So profound were the effects of his songs of obedience and concord that they were said to have influenced the minds of listeners to renounce their animosities and reunite in fraternity!"

Romans 14:5-6 (NIV)

5 One person considers one day more sacred than another; another considers every day alike. Each of them should be fully convinced in their own mind.

6 Whoever regards one day as special does so to the Lord. Whoever eats meat does so to the Lord, for they give thanks to God; and whoever abstains does so to the Lord and gives thanks to God.

1 Corinthians 10:13 (NIV)

13 No temptation has overtaken you except what is common to mankind.

And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can endure it.

Colossians 3:5 (NIV)

5 Put to death, therefore, whatever belongs to your earthly nature: sexual immorality, impurity, lust, evil desires and greed, which is idolatry.

1 Peter 4:6 (NIV)

6 For this is the reason the gospel was preached even to those who are now dead, so that they might be judged according to human standards in regard to the body, but live according to God in regard to the spirit.

Hebrews 10:26 (NIV)

26 If we deliberately keep on sinning after we have received the knowledge of the truth, no sacrifice for sins is left.

Hebrews 8:13 (NIV)

13 By calling this covenant “new,” he has made the first one obsolete; and what is obsolete and outdated will soon disappear.

Matthew 20:1-16 (NIV)

1 "For the kingdom of heaven is like a landowner who went out early in the morning to hire workers for his vineyard. 2 He agreed to pay them a denarius for the day and sent them into his vineyard.

3 "About nine in the morning he went out and saw others standing in the marketplace doing nothing. 4 He told them, 'You also go and work in my vineyard, and I will pay you whatever is right.' 5 So they went.

"He went out again about noon and about three in the afternoon and did the same thing. 6 About five in the afternoon he went out and found still others standing around. He asked them, 'Why have you been standing here all day long doing nothing?'

7 "'Because no one has hired us,' they answered. "He said to them, 'You also go and work in my vineyard.'

8 "When evening came, the owner of the vineyard said to his foreman, 'Call the workers and pay them their wages, beginning with the last ones hired and going on to the first.' 9 "The workers who were hired about five in the afternoon came and each received a denarius.

10 So when those came who were hired first, they expected to receive more. But each one of them also received a denarius.

11 When they received it, they began to grumble against the landowner.

12 'These who were hired last worked only one hour,' they said, 'and you have made them equal to us who have borne the burden of the work and the heat of the day.'

13 "But he answered one of them, 'I am not being unfair to you, friend. Didn't you agree to work for a denarius?

14 Take your pay and go. I want to give the one who was hired last the same as I gave you. 15 Don't I have the right to do what I want with my own money? Or are you envious because I am generous?'

16 "So the last will be first, and the first will be last."

1 Thessalonians 4:16-18 (NIV)

16 For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first.

17 After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. 18 Therefore encourage one another with these words.

Revelation 3:20 (NIV)

20 Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with that person, & they with me.

Luke 11:9-10 (NIV)

9 "So I say to you: Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. 10 For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened."

Matthew 21:22 (NIV)

22 If you believe, you will receive whatever you ask for in prayer.

Ephesians 6:12 (NIV)

12 For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.

Revelation 12:7-9 (NIV)

7 Then war broke out in heaven. Michael and his angels fought against the dragon, and the dragon and his angels fought back.

8 But he was not strong enough, and they lost their place in heaven.

9 The great dragon was hurled down—that ancient serpent called the devil, or Satan, who leads the whole world astray. He was hurled to the earth, and his angels with him.

Revelation 19:11-16 (NIV)

11 I saw heaven standing open and there before me was a white horse, whose rider is called Faithful and True. With justice he judges and wages war.

12 His eyes are like blazing fire, and on his head are many crowns. He has a name written on him that no one knows but he himself.

13 He is dressed in a robe dipped in blood, and his name is the Word of God. 14 The armies of heaven were following him, riding on white horses and dressed in fine linen, white and clean.

15 Coming out of his mouth is a sharp sword with which to strike down the nations. “He will rule them with an iron scepter.”

He treads the winepress of the fury of the wrath of God Almighty.
16 On his robe and on his thigh he has this name written:

king of kings and lord of lords.

Revelation 21:1-8 (NIV)

1 Then I saw "a new heaven and a new earth," for the first heaven and the first earth had passed away, and there was no longer any sea. 2 I saw the Holy City, the new Jerusalem, coming down out of heaven from God, prepared as a bride beautifully dressed for her husband.

3 And I heard a loud voice from the throne saying, "Look! God’s dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God.

4 He will wipe every tear from their eyes. There will be no more death' or mourning or crying or pain, for the old order of things has passed away."

5 He who was seated on the throne said, "I am making everything new!" Then he said, "Write this down, for these words are trustworthy and true."

6 He said to me: "It is done. I am the Alpha and the Omega, the Beginning and the End. To the thirsty I will give water without cost from the spring of the water of life.

7 Those who are victorious will inherit all this, and I will be their God and they will be my children.

8 But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars—they will be consigned to the fiery lake of burning sulfur.

This is the second death."

Revelation 21:22 (NIV)

22 I did not see a temple in the city, because the Lord God Almighty and the Lamb are its temple.

Revelation 2:26-29 (NIV)

26 To the one who is victorious and does my will to the end, I will give authority over the nations—

27 that one 'will rule them with an iron scepter and will dash them to pieces like pottery' - just as I have received authority from my Father. 28 I will also give that one the morning star.

29 Whoever has ears, let them hear what the Spirit says to the churches.

Revelation 22:12-14 (NIV)

12 "Look, I am coming soon! My reward is with me, and I will give to each person according to what they have done.

13 I am the Alpha and the Omega, the First and the Last, the Beginning and the End.

14 Blessed are those who wash their robes, that they may have the right to the tree of life and may go through the gates into the city."

Matthew 28:19 (NIV)

Luke 11:9-10 (NIV)

9 "So I say to you: Ask and it will be given to you; seek and you will find; knock and the door will be opened to you.

10 For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened."

Jeremiah 33:3 (NIV)

3 "Call to me and I will answer you and tell you great and unsearchable things you do not know."

The New Earth...

The Name Of Apollon

Apollon merely brings about the timely end of life, and most especially for those who are esteemed by him, when their allotted period on earth comes to an end. Such is the case recounted by Homer in the Odyssey when he speaks of the Island of Syria.

There, he says, men and women do not age, but rather, at the end of their lives are slain, the men by the arrows of Apollon, and the women by those of his twin Artemis.

Isaiah 6:8 (NIV)

8 Then I heard the voice of the Lord saying, "Whom shall I send? And who will go for us?" And I said, "Here am I. Send me!"

Turning Words to Dust

While Biblical Zion is the return of God, the modern term "zionism" is used to describe the synagogue of satan's plan for total power. There is no quick fix. Convert the misguided and keep the guilty in the dark. When the end comes they will be surrounded and overwhelmed.

Marcus Aurelius - Meditations 6:21

"If anyone can show me, and prove to me, that I am wrong in thought or deed, I will gladly change. I seek the truth, which never hurt anybody. It is only persistence in self-delusion and ignorance which does harm."

"Alexander, Caesar, Charlemagne and I myself have founded great empires; but upon what did these creations of our genius depend? Upon force. Jesus alone founded His empire upon love, and to this very day millions will die for Him."

Erasmus

“According to Aristotle no form of wisdom is greater than that which teaches a prince how to rule beneficently. Accordingly, Xenophon was quite correct in saying in his Oeconomicus that he thought it something beyond the human sphere and clearly divine, to rule over free and willing subjects.”

9: Democracy

Our democracy is being used as a weapon in our own destruction

Voting for people who are plotting against you is not freedom. Free people know the truth and live under just rule.

Party candidates are selected because they are either malignant or ignorant.

It makes no difference which party enslaved by political correctness you vote for...

Because the outcome is the same in the end - Our destruction

Multi party democracy is a proven failure, a tool for division, corruption & subversion...

Solution:

The nation is the party and the people are its members, constituents and elected leaders

A nation must be governed in truth and in the best interests of all its people.

From among the people national and local leaders will come forward. Selected on merit and public examinations open to all.

The people will vote some into parliament and others into local councils. Electing one the Prime Minister. The elected leaders seek the best solution for the people Understanding the cause effect chain of their actions.

This system will filter out those unable to govern competently, but still risks subversives slipping through...

But as everyone will know what forms subversion takes. These people will be identified and dealt with by the law.

Local Level

As much power as possible must be devolved to county and town level.

MPs will be responsible for the running of their constituency assisted by elected councillors (The next five candidates with the most votes)..

10: Economy

Mass immigration and capitalism are used by subversives to impoverish the people and create revolutionary conditions. They can grow GDP by growing the population and increasing spending with more debt but they do so by making the people poorer than they would otherwise be.

It isn't happening by accident. They use the screen of capitalism to reduce wages and make housing unfordable and then tell people the solution is slavery and not being able to own a home at all under Communism!

Housing

Nobody needs to own more than one home. By buying a second home or several for rental an individual is putting his wants above others needs. This pushes up the price of housing for those less fortunate and provides the landlord with an income that has a negative impact of society.

If only those living in a property can own it, price competition for housing is greatly reduced and prices fall making homes affordable for all. Council housing would still be provided to those with genuine need of it.

Banking and Interest

The idea that an individual or group of individuals can own a busness that creates money out of thin air and lends to the public or anyone else for interest is just wrong. Nationalised high street banks would lend to the public and business on a low fixed interest.

Government would sell bonds direct to the public if they required borrowings, rather than borrow created money at interest from their own central banks. Usury would be outlawed.

Income

Immigration reduces wages as workers can be found from outside the nation and brought in to do jobs for less. Jobs can also be outsourced and done overseas. Both have a negative effect on wages and wealth distribution.

If jobs can't be outsourced and workers can't be imported then employers are forced to compete for workers just like they have to compete for customers. The best companies would be able to afford the best wages.

While companies producing goods and services that are shoddy or unwanted would fail due to their inability to compete for workers as well as their inability to attract customers.

Too many workers in the marketplace and companies can afford to pay them badly, chew them up and spit them out. While a tight labour market without immigration forces improvements in training, education, pay and conditions. Value comes from scarcity while easy access to workers from overseas puts downward pressure on wages and denies opportunities to our own people.

Taxation

Income taxes at twenty percent would be much lower than present as a nationalist government would be free of Marxist and capitalist subversion. Council tax would be abolished as the best and quickest means of putting more money in peoples pockets. Council services would be funded by government.

VAT would be abolished for all goods and services that are produced in the UK including building works and repairs. The rate of VAT imposed on foreign goods would vary according to need. So for example Oranges and Bananas would be zero rated, while plastic tat would be taxed out of the market.

Pensions

National Insurance contributions are currently thrown into the black hole of Government debt. There is no fund. This is a fraud that would have the directors of a pension/insurance company arrested. NI is used by the government as a stealth tax and needs to be abolished.

Replaced by a personal investment trust fund that the government is required to pay a lump sum into at birth, this can then be topped up throughout one's working life providing decades of growth on the original investment. Pension funds will not be taxed by a Nationalist government.

Nationalisation

Banks would be nationalised but kept separate and independent. Some things can be done more efficiently by a monopoly. Gas, electricity, water, trains and the Royal Mail would all be nationalised and run for the benefit of the people.

The amount the public would pay for these services would be enough to cover costs including infrastructure investments.

Business

All businesses will be British owned. Limits will be put on the size

of certain businesses. Supermarkets and chains will be broken up and staff ownership encouraged. Existing companies maintain their supply chains providing stores with a choice of supplier.

Currency

Silver backed currency. One Pound will be worth one pound weight of 925 Sterling Silver. To keep things simple one Pound will consist one hundred Schillings and each Schilling one hundred Pence.

11: Society

The safest most stable society is not diverse. It is made up of one people and one religion working together for the common good.

Deliberately introduce different races and religions and the outcome is entirely predictable. Societal breakdown and oppression.

NHS

Without the burden of mass immigration and subversion the NHS could be the Rolls Royce of medical services.

Employing medical staff from overseas deprives other countries of much needed talent. You don't really believe our people are incapable of being trained to do these jobs, do you?

Welfare

Benefits are supposed to provide a safety net for those who are in genuine need. The Marxist strategy of paying people to sit round all day so they can then call them lazy and import workers instead will end.

Family

The best way to bring up children is in families. Marriage will be encouraged and motherhood cherished. While all the cultural Marxist ideas on the subject will be swept away.

Education

Subversion of the education system will stop. Schools will no

longer fail and lie to our children. Every child will leave school knowing they are valuable, needed and have a real and worthwhile contribution to make.

Selected university courses would be paid for by the state and would train our people to do the jobs society really needs.

Media and Advertising

All newspapers, radio stations, TV channels and advertising agencies must be British owned. Individuals and companies must not own more than one. State controlled media like the BBC will be improved, simplified and reduced in size.

Two TV channels and five radio stations. Local radio would be left to the private sector. With the licence fee abolished the service would be free to air.

Law and Order

All laws, rules and regulations that were created to advance the interests of the New World Order and big business will be torn up. The law will be simplified and new subversion and treason laws would be created.

Real freedom means just rule by elected leaders who tell the truth and have the best interests of the people at heart.

The best defense against nation wrecking subversion are sound, clear, incorruptible laws, the need for which are easily understood by all.

Naturalisation

Those immigrants who want to stay with good reason may, if they don't have more/any children. White European immigrants wishing to have children must change their names to British sounding ones. Common sense required.

12: Defence

Once all nations are under God all war and conflict will end. Until then:

Defence spending will increase. Bureaucracy, corruption and waste would be minimised, particularly as much of it is subversive in nature. All material and equipment would be manufactured in the UK.

Equipment would be of the highest standard. In the event we are unable to design items of the highest quality in a timely manner (The SA80 for example) we would seek to manufacture under license in the UK the very best foreign designed equipment.

People/companies will not make profits from wars. In the event of a war suppliers would be expected to maintain their peace time rate of profit. So if their net profit was ten Pounds per item and we required ten times the usual number we would expect their profit per item to fall to one Pound.

Any defence company found profiteering would either be nationalised or another supplier would be found. Directors of profiteering companies would be held liable.

All former military personnel would be guaranteed employment and training in the nationalised industry or government/council service of their choice. The current system wastes the talent and dedication of our service people quite deliberately.

The armed forces will no longer be sent on missions whose only aim is to waste the lives of patriots, rack up debt, make money for oil/defence companies and destabilise the world for the New World Order.

13: Policing

The vast majority of people who join the police do so because they want to make society safe for its citizens. They are good people who are being used and lied to. They too are the victims of government deception, rules and regulations.

The government wants you to hate the police because it wants to force the police to defend their "democracy" right up to the moment they intend to discard it and have those same police men and women savaged by a communist mob.

We are a long way from the friendly Bobby of the 1950's who everyone knew and respected. That's because "progress" is revolutionary and requires increasing levels of oppression until it finally collapses. Without the subversion the immigration and lies the only real differences in policing today would be provided by scientific and technological advancements.

Under Nationalism the police force would exist to serve it's citizens not its elected leaders. There would be more police on the streets with much less paperwork and they would again be the reassuring presence they used to be.
